• COMPANY PROFILE

Speed Automotive Group is a company specialized in the manufacturing and sales of turbochargers and the components based in China Japan Thailand and USA.

• SUPERIOR TECHNOLOGY

Our technical capacity has covered design, drafting, reverse engineering, product engineering, performance improving, proficient in CATIA, UG and other 3D softwares, modeling for customers quickly.

Through 3D print technology, we can achieve to make tooling rapidly for customers.

Speed Automotive Group has a various range of products, mainly used in diesel and gasoline engines, with 50 to 3,500 horsepower engines to match. Our products are widely used in cars, passenger cars, commercial vehicles, construction machinery, racing and tuning cars, etc., supporting the world famous car factories.
